OUR VISION: God's Saving Love to 250 Nations

In May 1975, God laid a burden on our hearts to take the message of God's saving love to the people of Yaounde and Cameroon. We obeyed and began this work and, by God's grace, made progress in Yaounde and in some towns in Cameroon.

Later on, through a vision by a Jew and through a vision by some believers gathered to pray in the United States of America, and through what the Lord was saying to us, we came to grips with the fact that we had to take the gospel to 250 nations in all the six continents of the world by the year 2065 AD.

OUR VISION: A Community of Loving Servants

The grip of what this meant has come to us increasingly, and the burden has come increasingly. By the work of the Holy Spirit in us, we are now a group of brethren who are laying our all at the feet of Jesus and stretching out increasingly

- to love the Lord,
- to love each other,
- to love all believers,
- to love all human beings.

OUR VISION: A Disciple Making Movement

We feel compelled to use any means available to modern man to:

- proclaim repentance towards God and faith in the Lord Jesus Christ to every human being,
- make a contribution to other brethren in the effort to reach every human being with the gospel.

We feel compelled to make disciples for the Lord Jesus and help others in their effort to make disciples for the Lord Jesus and, by the grace of God, make a contribution to God's global purposes in our generation.

OUR VISION: We Invite You to Team up With us

We are a community bonded to the Lord Jesus and bonded to one another, reaching out to those who are yet to be bonded to the Lord Jesus Christ.

We invite you, in the Name of Jesus Christ,

- to visit our site,
- to use our products and
- to bring yourself and what you have
- to team up with us, so that we hand over the Planet Earth to its rightful Owner- the Lord Jesus Christ.

We wish you God's richest blessings and we give all the glory to the Lord Jesus Christ, our Master and King!.
