

WHO WE ARE

The Book Ministry is the editing department of Christian Missionary Fellowship International.

It aims at proclaiming the Gospel of Jesus Christ to every creature under heaven (Col 1:23; Rom 1:5; 16:26) through the production and distribution of the writings of Professor Zacharias Tanee Fomum, founder of Christian Missionary Fellowship International.

PERSPECTIVES

• We are currently recruiting volunteers in all areas to work on all the department so as to hasten the accomplishment of the vision and goals of the Book Ministry.

• Regarding the impact, while acknowledging the investment carried out by several people, groups of people, and the various publishing houses as far as prayer and fasting for the impact of our printed page are concerned, we intend to put in **40 billion hours of prayer** and **1 billion complete 3-day fasts** and reinforce our pastoral ministry (we are on a missionary hunt via literature so as to consolidate the impact of our literature).

• We also aim at gathering 300 testimonies on the impact of ZTF literature around the world and produce **TEN VOLUMES OF TESTIMONIES OF IMPACT OF ZTF LITERATURE.**
