BACKGROUND

- Radio Voice of the Cross is a result of Professor Zacharias Tanee Fomum's obedience to God's command to him in the year 2000 to set up a radio station for the gospel.
- RVC is affiliated to Christian Missionary Fellowship International founded by Professor Zacharias Tanee Fomum.
- RVC is a private non-commercial, non-political audiovisual communication enterprise. It was created on 20 November 2002 considering;
- the need to preach the gospel to the greatest number of people in the shortest possible time
- the efficacy of modern day information and communication technologies
- the need to solve social problems
- the Bible is the foundation on which many laws and legal systems are based
- the unavailability and unwillingness of many people to go to meetings where the gospel is preached fully and clearly in the power of the Holy Spirit
