

THE LORD'S SPECIAL MESSAGE TO ME: THE SANTA CRUZ PROPHECY EXTENSION

My son, the Santa Cruz Prophecy is My Word to all in Christian Missionary Fellowship International. It is My Word and I am watching over it to fulfill it to the fullest. Oh that My children would believe Me and obey Me, so that I do all that I have promised to do in them and through them!

Thousands of My children in Christian Missionary Fellowship International have not read the Prophecy in its entirety and thousands have not had it read to them and consequently, they are going about thinking, talking and acting as if I had not spoken. This is My way for bringing revival to Christian Missionary Fellowship International. Those who refuse to believe Me and, consequently, fail to cooperate with Me, would have missed the hour of My visitation and I will hold them accountable for it! Have you heard Me? I am saying that I will hold those who fail to cooperate with Me accountable for the loss that they will cause Me to incur in their lives and for the losses that they will cause Me to incur in the lives of those they have blocked by their failure to cooperate fully with Me.

What I have asked My children to do is simple and clear and it should be done. Those who have obeyed are already enjoying My visitation and more is coming for them.

Because I must have revival in Christian Missionary Fellowship International as a prelude to the heaven-rending, earth-shaking and Christ-glorifying global revival of My entire body, I give Christian Missionary Fellowship International an extended period for their cooperation with Me in this matter. The period of investing everything into evangelism, soul-winning and Church planting is extended to the 27th January 2008.

I will hold you responsible for any national leader or international missionary who does not have the Prophecy and this extension. I will hold every national leader and every international missionary responsible for every shepherd under his leadership who does not have the Prophecy and this extension. I will hold every shepherd responsible for each person he or she shepherds who has not read the Prophecy or had it read to him or her.

To stir world-wide action, let those national leaders, international missionaries, senior local church pastors, national missionaries, local church pastors, house church pastors, etc, who are having breakthroughs, send information about their exploits to headquarters for worldwide diffusion.
