

THE LORD'S SPECIAL MESSAGE TO ME

**CHRISTIAN MISSIONARY FELLOWSHIP INTERNATIONAL IS A MOVEMENT
OF PEOPLE WHO KNOW CRISIS UNION AND FUSION WITH ME**

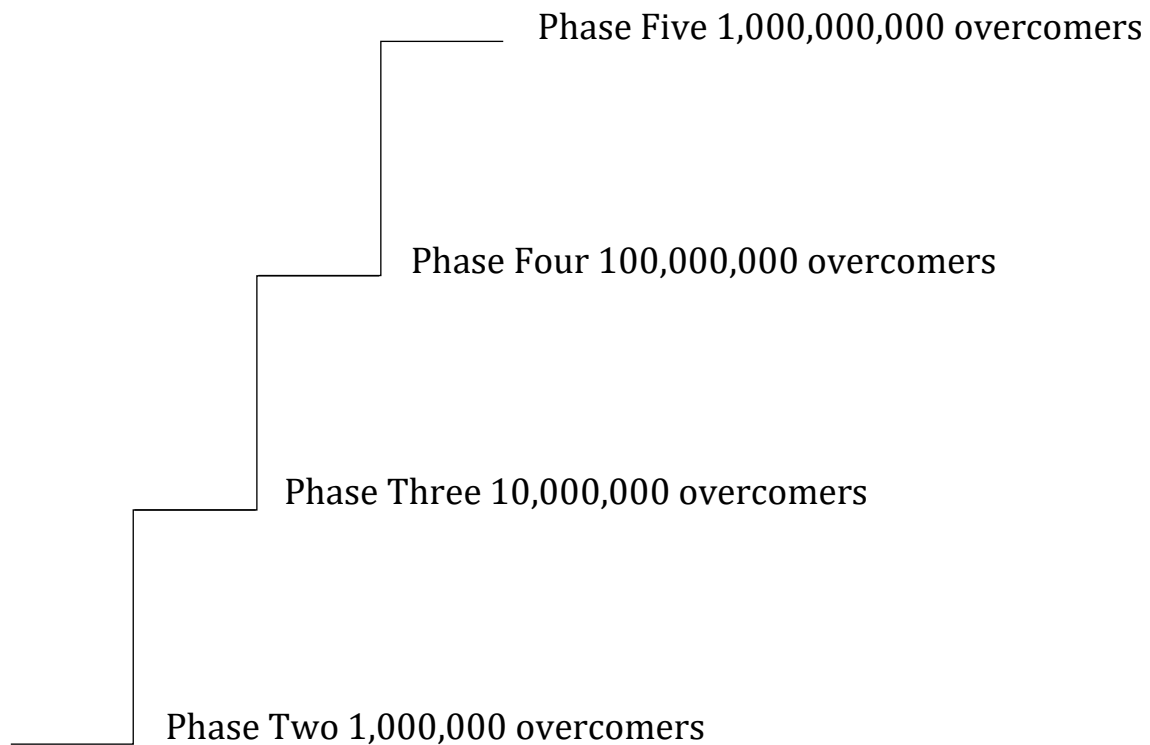

**CHRISTIAN MISSIONARY FELLOWSHIP INTERNATIONAL IS A MOVEMENT
OF OVERCOMERS LIKE GIDEON'S 300**

**THE FIVE PHASES OF THE WORK AND WHAT ZTF MUST DO IN THE YEAR
AHEAD**

My Son, Christian Missionary Fellowship International is a movement of people who know crisis union and fusion with Me. It is a movement of people who have said a final no to sin in all its form; to the love of the world in all its forms; to the love of everything that is in the world and have said a final "no" to self-will, self-interest, self-desire and self in all its other forms in a settled crisis and in an on-going daily basis. Without such separation unto Me and separation from all else, people are deceived to think that they are members of Christian Missionary Fellowship International.

Christian Missionary Fellowship International is a movement of overcomers like Gideon's 300; like the early church of tens of thousands who had only two who were liars whom I removed in immediate and drastic judgment and like the overcomers that I called forth in Revelations chapters 2 and 3.

Invest the year before you in fasting, prayer and ministry so that the overcomers should come forth. As people surrender themselves absolutely and enter into entire sanctification and are filled with the Holy Spirit and consecrated, one million people of the overcomer breed will be obtained in Phase Two and these will produce the ten million overcomers of Phase Three that will lead to the one hundred million of Phase Four and the one billion of Phase Five. Do not set out any years to the different phases of the work. Leave the timing of the duration of the Phases with Me.

I will remove the seed that fell on the path, the stony soil and the thorny soil. I will remove all of that kind but I will not remove them in one go. I will spread out the removal of those whose hearts are divided and I will start with leaders. You do not need to pray that I should do it. I will surely do it and I will use varying methods.

I will bring the overcomers to absolute surrender, entire sanctification, the Spirit-filled life and absolute consecration and then position them for victorious warfare and this will result in work that would have needed ten years being accomplished in one year. Invest your fasts and prayer into moving Me to do this. Fast and pray bleedingly on the years before you. Fast as you have never done before. Pray as you have never done before. Labour as you have never done before.
