## INTRODUCTION

---

In Phase 2, our strategic work was obedience to the Santa Cruz Prophecy by everyone – by every member of CMFI. And God has led us and it worked. We started out in a terrible spiritual condition, but those who obeyed the Santa Cruz Prophecy got into the ‘who is who’ circle in CMCI, as did Paul Bello and many others. On the other hand, some of the wonderful men of God who have been in our ministry for the past 40 years, but who did not obey the Santa Cruz prophecy, have kept wilting.

God has brought us into Phase 3, and has called us to the making of disciples in the context of house churches. He has called us to have house churches that are disciple-making centres. Also, God is calling us to make disciples with a training programme, which is *The Bertoua Message*, within the house churches. If we want to do strategic work, we must come back to our way of thinking, as well as to the execution of the work and the making of disciples. Our

## INTRODUCTION

thinking, our programmes, our institutions, our Ministry, need to be run according to the paradigms disciple making.

If there are some super spiritual people who do not return to the house churches, and who do not obey *The Bertoua Message*, we have seven years ahead of us; they will be on the periphery of the Ministry – just like many big leaders who did not obey *The Santa Cruz Prophecy* are on the periphery of the Ministry. God builds with those who obey. Whatever your position, whatever your title, if we do not get back to house churches and to this simple program of growth that we have been given, I would like to promise you, without hating you, that you have five years to be on the periphery, whoever you are now.

God has given to us a normalisation programme, and God has given to us a growth programme, and a context, and a unit: *the house church*. That is our strategic work, where we are now.

*Theodore Andoseh*

## PREFACE

---

Dear brother, dear sister,

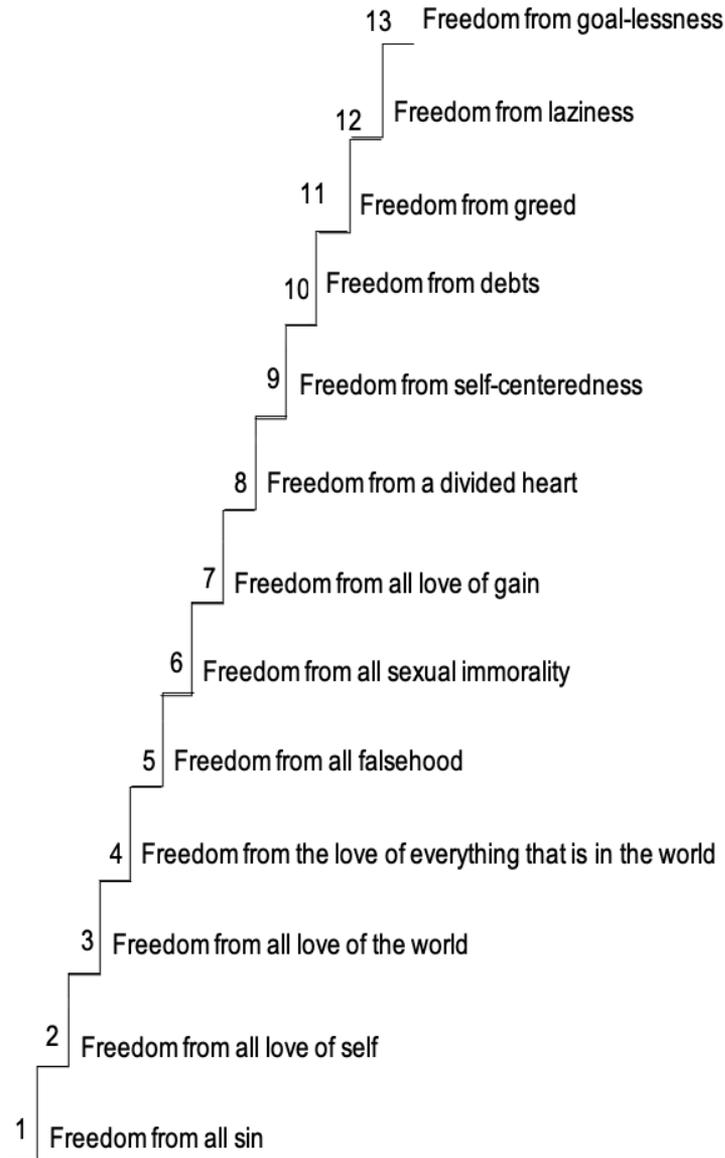

In 2008, the Lord gave us *The Bertoua Message* as the pathway to revival for every believer, for a return to their first love for the Lord Jesus Christ. From the various elements of *The Bertoua Message*, we have elaborated 31 Teaching Modules to help you enter into the effective application of this instruction from the Lord.

This workbook is designed to help you assimilate the first Teaching Module—***Deliverance From all Sin***

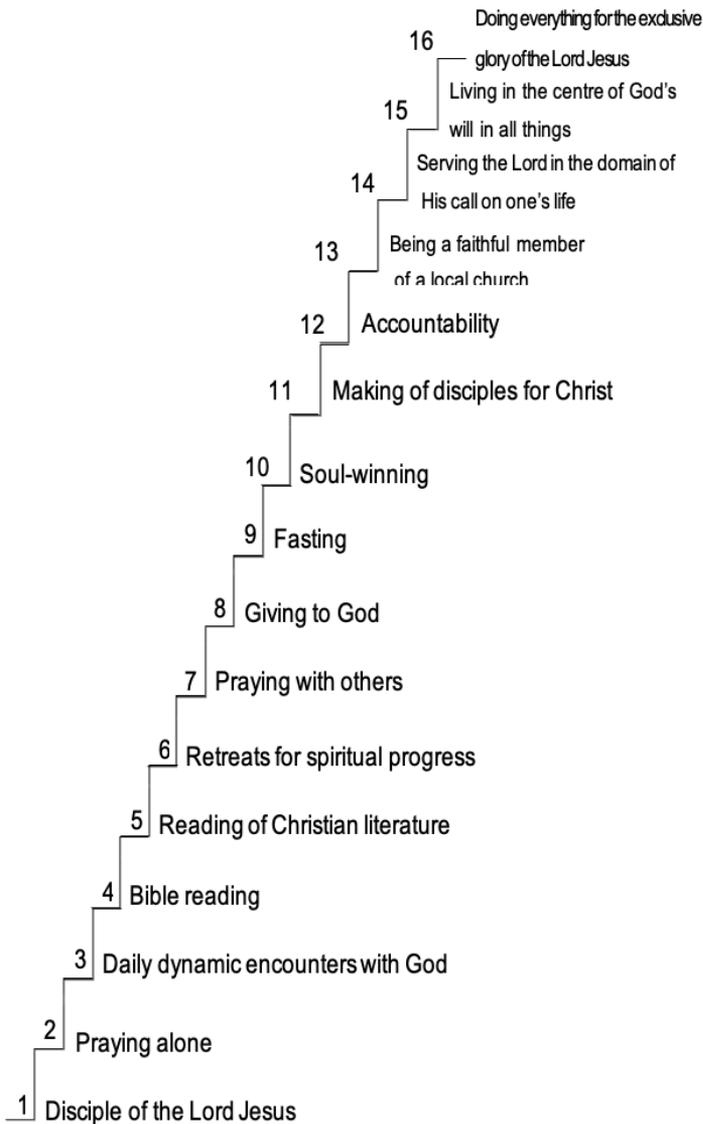

**THE LORD'S SPECIAL MESSAGE TO ME  
THE YEAR 2009 IS THE YEAR OF REVIVAL IN  
CHRISTIAN MISSIONARY FELLOWSHIP  
INTERNATIONAL THE PATHWAY TO  
REVIVAL**

My son, the year 2009 in Christian Missionary Fellowship International is the year of revival. Each believer is to return to his or her first love for Me. This return to the first love for Me will include freedom from all sin, freedom from all love of self, freedom from all love of the world, freedom from the love of everything that is in the world, freedom from all falsehood, freedom from all sexual immorality, freedom from all love of gain, freedom from a divided heart, freedom from self-centredness, freedom from debts, freedom from greed, freedom from laziness and freedom from goal-lessness.

The above thirteen things and attitudes are to be uprooted from the heart and the life of everyone in the Ministry. This is the first part of revival; the first part of the return

to the first love for Me. The return to the first love for the Lord Jesus Christ will include faithfulness in becoming and being a disciple of the Lord Jesus, praying alone, daily dynamic encounters with God, Bible reading, reading of Christian literature, retreats for spiritual progress, praying with others, giving to God, fasting, soul-winning, making of disciples for Christ, accountability, being a faithful member of a local church, serving the Lord in the domain of His call on your life, living in the centre of God's will in all things and doing everything for the exclusive glory of the Lord Jesus.

Although the entire year is set aside for revival, if the saints cooperate with Me and, through intensive and extensive prayer and fasting, move Heaven to act urgently, the revival will be upon all the saints in March, and April

to December will see an unprecedented move in evangelism, soul-winning and church planting. I expect hundreds of saints worldwide to carry out 21 to 40-day fasts between January and March to accelerate personal revival and revival of all the saints in the movement.

There will be revival!

There will be revival!!

There will be revival!!!

There will be revival!!!!

There will be revival!!!!!

There will be revival!!!!!!

There will be revival!!!!!!!

Bertoua 21/12/08.

## DELIVERANCE FROM ALL SIN

Thank and praise the Lord for what He has done for you according to Revelation 4:11, Revelation 5:9 – 11 and in your own words.

*'You are worthy, our Lord and God, to receive glory and honour and power, for you created all things, and by your will they were created and have their being' (Revelation 4:11).*

*'... You are worthy to take the scroll and to open its seals, because you were slain, and with your blood you purchased men for God from every tribe and language and people and nation. You have made them to be a kingdom and priests to serve our God, and they will reign on earth...' (Revelation 5:9-11).*

## THE BELIEVER'S RESPONSIBILITY

---

In the second part of this first teaching module on The Bertoua Message, we are considering the believer's responsibility for their deliverance from sin. To this end, the believer must cooperate with the Lord in order to radically terminate with every sin in their life. The book *The Sower, the Seed and the Hearts of Men*, used in this second part, presents four different conditions of the heart: the wayside heart, the stony heart, the thorny heart and the good heart. Each believer would have to examine themselves, determine the type of heart they have and cooperate with the Lord either to get rid of it or to keep it, depending on the type of heart they have.

## AFTERWORD

---

At the end of this teaching module, it is clear from the above that man's heart is of paramount importance to God. The condition of a man's heart determines who he is, what he does, what he will be, and what his fate will be in eternity. It is therefore essential for the disciple to take care to produce an honest and good heart that bears fruit, that reaches maturity in order to satisfy the heart of God.

In our growth programme, The Message of Bertoua, after the first teaching module (*Deliverance from all Sin*) which we have just completed comes the second entitled '*Becoming and Remaining a Disciple of the Lord Jesus*'. We advise you to continue with this second teaching unit on 'The Message of Bertoua'.

May God bless you abundantly!
