In Phase 2, our strategic work was for every CMFI member to obey the Santa Cruz Prophecy. And God sustained us. The strategy worked. We began in a terrible spiritual condition, but those who obeyed the Santa Cruz Prophecy entered the circle of “who’s who” in CMFI, like Paul Bello and many others. On the other hand, some of the wonderful men of God who have been in our ministry over the past 40 years, but who have not obeyed the Santa Cruz Prophecy, have continued to fade away.

God has led us to Phase 3 and called us to discipleship in the context of house churches. He has called us to have house churches that are disciple-making centres. God is calling us to make disciples with a training programme, the Bertoua Message, within the framework of house churches. If we want to do strategic work, we need to get back to our thinking, as well as doing the work of making disciples. Our thinking, our programmes, our institutions and our ministry must be managed according to discipleship paradigms.

If there are super spiritual people among us who do not return to house churches and who do not obey the Bertoua message, we have seven years ahead of us. They will find themselves on the periphery of the ministry, just as many great leaders who have not obeyed the Santa Cruz Prophecy are presently on the periphery of the ministry. God builds with those who obey. Whatever your position, whatever your title, if we do not return to house churches and this simple growth programme that we have been given, I would like to promise you, without hating you, that you have seven years to be on the outskirts of this ministry, whoever and whatever you are now.

God has given us a normalization programme. He has given us a growth programme, whose context and unity are the house church. This is our strategic work in the current situation.

PREFACE

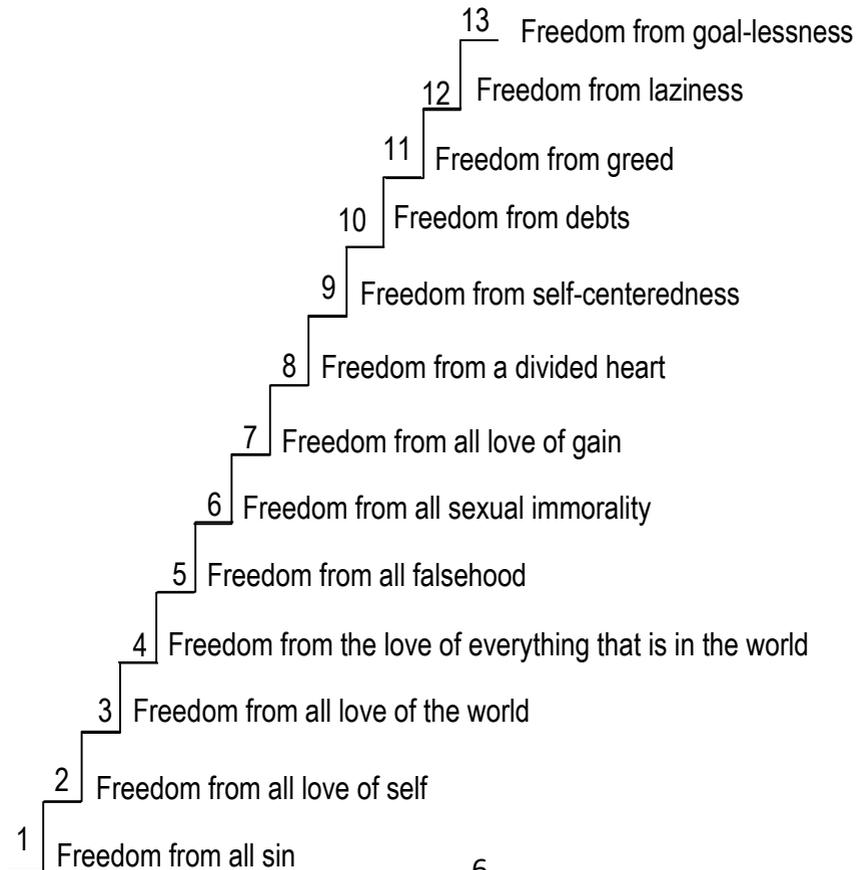

Beloved,

In 2008, the Lord gave us the Bertoua Message as the path to revival for every believer, to lead them to return to their first love for the Lord Jesus Christ. Based on the different levels of the Bertoua Message, we have developed 31 teaching units to help you effectively apply this instruction from the Lord.

The teaching unit "THE MAKING OF DISCIPLES" is the fifth of the 31 teaching units taken from the Bertoua Message. Here is a list of the first 14 teaching units effective instructions of the Lord.

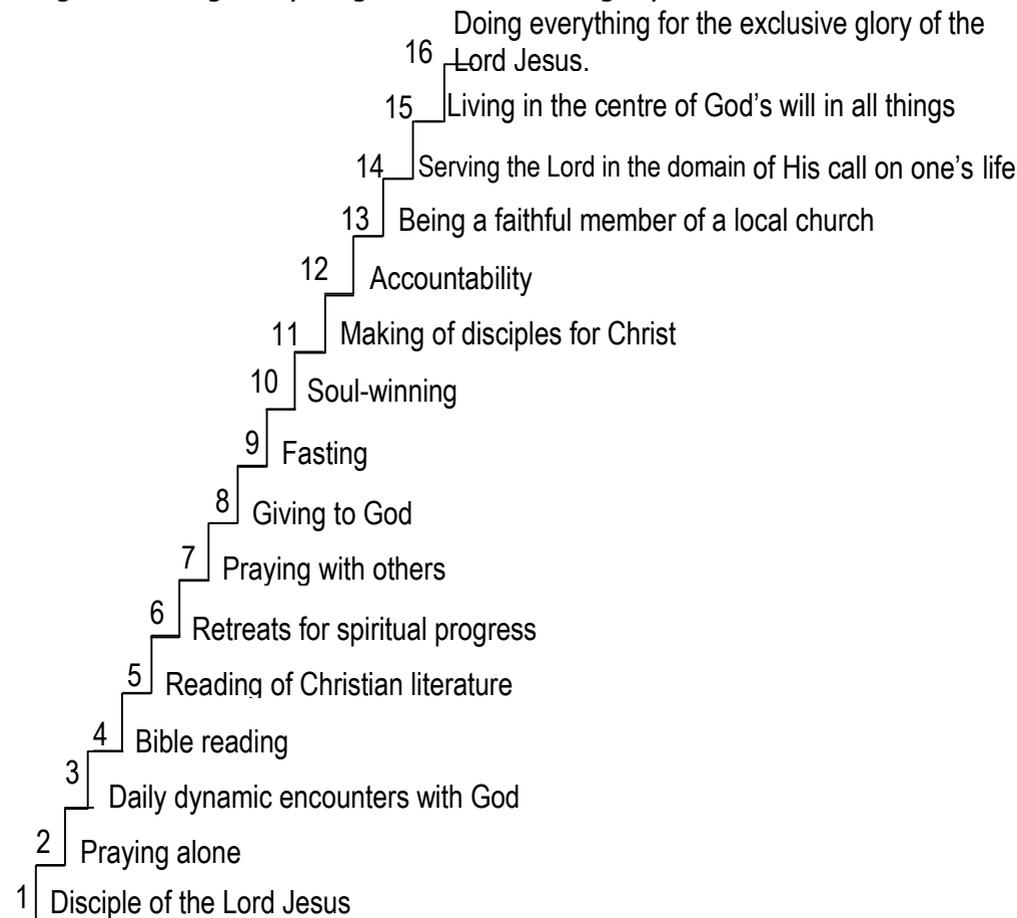

**THE LORD'S SPECIAL MESSAGE TO ME:
THE YEAR 2009 WILL BE THE YEAR OF REVIVAL IN
CHRISTIAN MISSIONARY FELLOWSHIP INTERNATIONAL
THE PATHWAY TO REVIVAL**

My son, the year 2009 in Christian Missionary Fellowship International is the year of revival. Each believer is to return to his or her first love for Me. This return to the first love for Me will include freedom from all sin, freedom from all love of self, freedom from all love of the world, freedom from the love of everything that is in the world, freedom from all falsehood, freedom from all sexual immorality, freedom from all love of gain, freedom from a divided heart, freedom from self-centeredness, freedom from debts, freedom from greed, freedom from laziness and freedom from goal-lessness.

The above thirteen things and attitudes are to be uprooted from the heart and life of everyone in the Ministry. This is the first part of revival; the first part of the return to the first love for Me.

The return to the first love for the Lord Jesus Christ will include faithfulness in becoming and being a disciple of the Lord Jesus, praying alone, daily dynamic encounters with God, Bible reading, reading of Christian literature, retreats for spiritual progress, praying with others, giving to God, fasting, soul-winning, the making of disciples for Christ, accountability, being a faithful member of a local church, serving the Lord in the domain of His call on your life, living in the centre of God's will in all things and doing everything for the exclusive glory of the Lord Jesus.

Although the entire year is set apart for revival, if the saints cooperate with Me and, through intensive and extensive prayer and fasting, move Heaven to act urgently, the revival will be upon all the saints in March, and April to December will see an unprecedented move in evangelism, soul-winning and church-planting. I expect hundreds of saints worldwide to carry out 21 to 40-day fasts between January and March to accelerate personal revival and revival of all the saints in the movement.

There will be revival!

There will be revival!!

There will be revival!!!

There will be revival!!!!

There will be revival!!!!!

There will be revival!!!!!!

There will be revival!!!!!!!

LESSON 1: WHO REALLY IS A DISCIPLE?

Course Material: The Book *MAKING OF DISCIPLES* by Professor Zacharias Tanee Fomum.

Section of the book to read: Chapter 1 of the book *MAKING OF DISCIPLES*.

Goal: To lead the believer to confront the nine (9) conditions for being and remaining a disciple of the Lord Jesus.

Summary: The disciple is a person who has forsaken all sin and made a total commitment to the Lord Jesus. To be and to remain a disciple of the Lord Jesus, the believer must love the Lord with supreme love (love him with all his spirit, with all his soul and with all his body). From this supreme love for the Lord flows a supreme love for all the brethren, the separation from the family, from the 'self,' the carrying of one's cross, renouncing everything, abiding in the word and bearing fruit.

N.B: - For greater efficiency, it is strongly recommended to stick to the strict reading of the prescribed portion of the book in which the answers to the questions asked are found.

- When marking an activity booklet, if you find an abnormal answer, report it to the house church leader, so that he can help the person concerned.

LESSON 8: THE MAKING OF DISCIPLES AND THE LOCAL CHURCH

Course material: The book *MAKING OF DISCIPLES* by Professor Zacharias Tanee Fomum.

Goals: To get the believer to understand:

- The making of disciples in a practical way in an assembly.

Women also as disciples have the responsibility to make disciples in order to obey the Lord's command to all disciples to go and make disciples of the Lord of all nations.

N.B: - For greater efficiency, it is strongly recommended to stick to the strict reading of the prescribed portion of the book in which the answers to the questions asked are found.

CONCLUSION

This disciple-making course gives us a clear definition of who a disciple is. It educates and edifies us on the need for the making of disciples with the Supreme Disciple-maker, the Lord Jesus, as our Model. We learn through the different lessons how to lead someone to Christ, how to transform a young convert into a mature disciple and how to transform a mature disciple into a disciple-maker. It also instructs believers on the relationship between the disciple and the disciple-maker based on the relationship between the Lord Jesus and His disciples. Finally, it delves into discipleship in the local church and women in disciple-making.

May God bless you abundantly!
