Precious and beloved co-worker,
Praise the Lord!

The Word of God says, "I will instruct you and teach you in the way you should go; I will counsel you and watch over you" (Psalm 32:8).

God has led us in the past 14 years since His servant, our leader and founder went to be with the Lord!

In 2009, He led us to the first corporate Pentecost of our community and brought us back to the vision, goal and ministry He had given to us through His servant Zach Fomum. He gave us again the prophecy of Santa Cruz as a directive to follow until the goal of phase 2 of our ministry is accomplished.

In the missionary concertation in PROCCCL Libreville, Gabon, the gathered leaders embraced our vision and goal as part of our Lord Jesus' Great Commission and from 2012 after the concertation, we obeyed the Santa Cruz prophecy, so that by December 2019, we celebrated the accomplishment of the phase 2 goal of having 1 million believers in 100 nations who are part of the work God has given to us. Praise the LORD!!!

In January 2024, a Body of our leaders met with the coordinating Team Leader of our ministry in Ndoumbi, Bertoua, to wait on the Lord after the second corporate Pentecost of our community on the 24th of November 2023. They waited on the LORD for His direction for the entire work for the next five years. God came down, spoke to us, taught us and fused us into a Body of Friends around the LORD Jesus and around the Mission He has given to us through Zach Fomum – a Body of Friends who have a mature commitment to the vision of Zach Fomum and love one another, and who live for the exclusive purpose of accomplishing the goal God has entrusted to us through His servant.

We shall hold a Missionary Concertation of our ministry in December 2026 and a World Convention of the ministry in December 2030 if our Lord Jesus tarries, in order to consecrate ourselves to the phase 3 goal of our ministry at the concertation and to present the phase 3 goal accomplished to our Lord Jesus Christ in the World Convention.

Both the General Missionary Concertation in 2026 and the World Convention in 2030 will be hosted in the International Headquarters and Ministry Base in Koumé – Bertoua, Cameroon. Local, national and regional conventions will continue to be organised as needed for the strengthening of the work and accountability.

Auxiliary, Strategic, Regional and National Ministry Bases will continue to be developed for the efficient administration of our work and real effectiveness in the pursuit and accomplishment of our goal. However, the direct proclamation and publication of the Gospel of our Lord Jesus Christ that results in fruit in terms of disciples who meet in house churches in a locality and churches in each locality of the world must be the priority of all distinct ministry and leadership in all our work. Many cities and metropolis must raise megachurches to ensure adequate resources for the success of our vision at all levels, both local, national and global.

We present to you the goal and objectives of our entire work between 2024 to December 2029!!!
